

Section 10-6.647. C-2 General Commercial district.

1. District Intent	PERMITTED USES		
	2. Principal Uses		3. Accessory Uses
The C-2 district is intended to be located in areas designated Bradfordville Mixed Use, Suburban or Woodville Rural Community on the Future Land Use Map of the Comprehensive Plan shall apply to areas with direct access to major collector or arterial roadways located within convenient traveling distance to several neighborhoods, wherein small groups of retail commercial, professional, office, community and recreational facilities and other convenience commercial activities are permitted in order to provide goods and services that people frequently use in close proximity to their homes. The C-2 district is not intended to accommodate large scale commercial or service activities or other types of more intensive commercial activity. The maximum gross density allowed for new residential development in the C-2 district is 16 dwelling units per acre, with a minimum gross density of 8 dwelling units per acre, unless constraints of concurrency or preservation and/or conservation features preclude the attainment of the minimum density. The residential uses are required to be located on the second floor or above a building containing commercial or office uses on the first floor. Mixed use projects in the C-2 district are encouraged, but are not required. In order to maintain compact and non-linear characteristics, C-2 districts shall not be located closer than ¼ mile to other C-2 or C-1 districts or to parcels of land containing commercial developments including more than 20,000 gross square feet of floor area and shall not exceed 30 acres in size. DEVELOPMENT STANDARDS (continued from page 1 of 2)
<p>7. Access Management Criteria (In case of a conflict with the provisions of other ordinances or regulations, the most strict provisions shall apply):</p> <p>Capital Circle from Centerville clockwise to I-10</p> <p>Driveway access to Capital Circle from Centerville Road in the northeast to I-10 in the northwest is prohibited except for:</p> <p>a) Existing driveway access as of December 31, 1995;</p> <p>b) A single driveway access for properties in existence before December 31, 1995 which have sole access to Capital Circle and do not have other street access; and</p> <p>c) Temporary driveway access which may be permitted for properties which establish permanent access to another public street and grant the City or County the right to close the temporary access without compensation upon conversion of Capital Circle to a limited access or controlled access roadway.</p> <p>All Arterials and Major Collectors: Full movement access to an arterial or major collector shall not be permitted closer than 330 feet to another full movement access point, nor within 660 feet of a signalized intersection. Right-in/right-out access to an arterial or major collector shall not be permitted closer than 330 feet to another access point, nor within 100 feet of a signalized intersection, except properties with sole access to an arterial or major collector are permitted at least one right-in/right-out access point. Properties with 660 feet or more of arterial and major collector frontage may be permitted multiple accesses to a single street based upon a traffic safety and capacity evaluation. All development fronting on an arterial or major collector shall record a joint access and cross easement benefiting adjoining properties fronting on the same arterial or major collector.</p> <p>Minor Collectors</p> <p>Full movement access to a minor collector shall not be permitted closer than 200 feet to another full movement access point, nor within 400 feet of a signalized intersection. Right-in/right-out access to a minor collector shall not be permitted closer than 100 feet to another access point, nor within 200 feet of a signalized intersection.</p> <p>Local Streets</p> <p>Full movement access to a local street shall not be permitted within 200 feet of a signalized intersection. Right-in/right-out access to a local street shall not be permitted closer than 100 feet to another access point or intersecting public street, nor within 200 feet of a signalized intersection.</p>
<p>8. Street Vehicular Access Restrictions: Properties in the CP zoning district may have vehicular access to any type of street. However, in order to protect residential areas and neighborhoods from nonresidential traffic, vehicular access to a local street is prohibited if one of the following zoning districts is located on the other side of the local street directly across from where the vehicular access point is proposed: RA, R-1, R-2, R-3, R-4, R-5, MH, MR-1, RP-1, RP-2, RP-MH, RP-UF, and RP-R.</p>
<p>9. Additional Criteria for Charitable Donation Stations: Such station shall have indoor storage for all donations, and shall have an attendant available during normal business hours responsible for the collection and/or storage of said donations. A “charitable donation station” is considered a community service/facility regulated by Section 10-6.806 of these regulations.</p>
